JAMES SNEATH

WEB DEVELOPER

ABOUT ME

I am an aspiring front-end web developer with a solid foundation in finance. This blend of experience has equipped me with a keen eye for detail and a solid analytical mindset. I have a strong passion for learning and self-improvement, evident in my transition from finance to web development, where i have consistently embraced new techologies in this dynamic career landscape.

TECHNICAL SKILLS

- JavaScript | React | CSS | HTML | Ruby On Rails | JQuery | Git | Bootstrap |Tailwindcss

SOFT SKILLS

- Agile Problem Solver: Adept at tackling complex issues with a logical approach
- Growth Mindset: Continually seeking opportunities to expand skill set and adapt to new challenges.
- Perseverance: Demonstrated persistence on overcoming obstacles and achieving goals

EXPERIENCE

Taylor Wimpey PLC

FINANCE ASSISTANT | JUNE 2020 - PRESENT

- General finance duties including but not limited to Payroll, Purchase ledger & Bank reconciliations.
- I've also helped develop new systems which improved productivity and efficiency.

Capaccom Ltd

DIRECTOR | NOVEMBER 2016 - MAR 2020

- Founded the management company
- This involved operating a 24/7 business, taking care of guests, managing properties, marketing for new clients, building hands off systems with Zapier, Xero & hospitality software. Managing VA's and local teams on a daily basis.

RG Solicitors Ltd

FINANCE ASSIST. MANAGER | MAR 2010 - NOV 2016

- Managed 3 other members of staff
- General accounts duties
- A big part of my role included developing new systems for better productivity and efficiency.
